

TRUE GROWTH™ ACADEMY II

Growing your team to the next level

The True Growth Academy II is an advanced course in team development specifically designed to help leaders discover the skills and behaviors essential to develop passionately engaged teams. It is reserved for graduates of either the True Growth® Academy or the one-day, Exploring the Power of Authenticity™ session. If you're looking to learn how to develop others and take your team to the next level, the TGA II is designed for you.
